By inserting the following language as a new, appropriately designated subdivision in the amendatory language of Section 1(b) of the bill as amended:

(\_) (A) If the state architect determines that on a level of any stadium or arena constructed before July 1, 2000, that there is not sufficient space to add more toilet facilities, then the state architect may issue a special event redesignation variance upon application of the owner or operator of the facility.

(B) Such application shall be filed with the state architect at least thirty (30) days prior to any scheduled event and shall include a statement from the owner or operator of the facility that there is a reasonable belief that such scheduled event will be attended by a majority of male or female patrons, estimating the percentage of each.

(C) The state architect may issue a special event redesignation variance for a period of time not to exceed the length of the scheduled event included in the application. Such variance shall state the period of time and the number of bathrooms to be temporarily redesignated.

(D) Upon receiving a special event redesignation variance, the owner or operator of the facility may temporarily redesignate such bathrooms in accordance with the provisions of the variance.
